

Job Advert

Background

The Education Local Expertise Centre Uganda (ELECU) is a national NGO dedicated to empowering Uganda's most marginalized communities by improving educational outcomes for young people. We work towards sustained poverty reduction by increasing access to quality basic education, skills development, and fostering partnerships with likeminded organizations, the Government of Uganda, and the private sector.

The Education Local Expertise Centre Uganda (ELECU) in partnership with Save the Children International is implementing a 24 months ECHO RISE Project in Rwamwanja and Kyangwali Refugee Settlements and the host communities. The RISE project aims to achieve increased access, retention and improved learning outcomes for out of school children and children at risk of dropout, including newly arrived refugees, out of school children, unaccompanied and separated children and children at risk, and provide life-saving education services at transit sites.

Position Title: Accelerated Education Program (AEP) Teacher (15 positions)

Duty Station: Kamwenge - Rwamwanja

Contract: 12 months, Renewable

Reports to: Lead AEP Teacher

Position summary

The main responsibility for the position is to teach primary level subjects and document day-to-day subjects with the aim of reintegrating the learners to the mainstream/regular schools.
